

Arbeitsblatt zum Thema "Writing"

kostenloser Download von <https://unterricht.schule>

Aufgabenstellung:

1. Fülle die Lücken mit den richtigen Wörtern aus!
 2. Scanne den QR-Code zur Kontrolle!
 3. Schreibe den Text in dein Heft ab!
 4. Formuliere die Inhalte des Textes selbst!
- Nutze dazu alle Lückenwörter!

Writing is the act of _____ language on a visual medium using a set of symbols. The symbols must be _____ to others, so that the text may be read.

A text may also use other visual systems, such as _____ and decorations. These are not called writing, but may help the message work. Usually, all educated _____ in a country use the same writing system to record the same language. To be able to _____ and write is to be literate.

Writing differs from speech because the readers need not be _____ at the time. We can read writing from long ago, and from different parts of the _____. It works across time and space. It stores and communicates knowledge. Writing is one of the greatest _____ of the human species. It was invented after people had settled in towns, and after _____ had started. Writing dates from about 3,300BC, which is over 5000 years ago, in the _____.

A variety of writing materials were invented, long before paper. Clay, papyrus, wood, slate and _____ (prepared animal skins) have all been used. The Romans wrote on waxed tablets with a pointed _____; this was popular for temporary notes and messages. The later invention of paper by the _____ was a big step forward.

The medium used today is usually paper, though there is _____ to print on almost any surface. Media such as television and movie screens can also be used to _____ writing, and so can computer screens.

Writing is traditionally done using a hand _____ such as a pencil, a pen, or a brush. More and more, however, text is created by input on a _____ keyboard.

technology	Chinese	tool	pen	parchment	world	recording	display	present
people	computer	Middle East	read	known	illustrations	inventions	agriculture
